B. EVALUATION CRITERIA

Insurance Rating: Please provide your company's Workers Compensation Experience Modification Rate (EMR) for the past three years. A written explanation is required if the rate is 1.0 or higher.	Year	EMR
	2020	
	2019	
	2018	
Bonding Capacity:		Value Currently Under Bond:

B.1 Bonding and Insurance

Yes No Is your company able to comply with the insurance limits required in the subcontract (Section H.12)?

B.2 Safety Criteria

Yes No Has your company been inspected by OSHA and/or received any OSHA citations in the last three (3) years?

If yes, please provide an attachment describing the outcome of the inspection along with copies of citations received, along with the actions taken to abate the citations. Respond to any open citations shown on the OSHA website www.OSHA.gov.

Yes No Has your company had any safety incidents in the last nine (9) months? If yes, attach an explanation.

B.3 Technical Criteria - The following items must be submitted as attachments to this form.

1. **Key Personnel.** Resumes of Superintendent and Project Manager to be assigned to the construction subcontract. Include number of years with your firm, prior FAA project experience, similar work performed as anticipated under this subcontract and any OSHA, safety or other specialized training. By submitting and signing this Offer, the Offeror warrants and guarantees that the individuals submitted will be assigned to the project for the duration of this subcontract. No substitutions shall be allowed unless agreed to in writing by Parsons after receipt of proper notice.
2. **Past Performance.** Provide information on three (3) similar projects completed within the past five (5) years. Of these projects, please highlight projects completed while working on or near an active airport.
3. **Project Team.** Provide a list of proposed major subcontractors and suppliers, including scope and percentage of work to be performed. If a lower-tier subcontractor is proposed for civil, electrical, or crane work, provide certifications and work history.
4. **Schedule.** Provide a preliminary Construction Progress Schedule based on the contract documents. This schedule must set out your approach to accomplishing all work no later than 289 calendar days from Notice to Proceed. The schedule must include properly sequenced work packages and key activities with durations. Provide any assumptions, constraints, or qualifications associated with your proposed schedule. Key milestones should be included in the preliminary Construction Progress Schedule.

B.4 Estimated time to complete all work in calendar days: _____

B.5 Percentage of work to be self-performed by your company (Section F.2 minimum 25%): _____
